CLC General Application:	Have you applied as a general applicant to CLC*? _____	Yes ___ No ___
	Have you attended CLC in the past? _____	Yes ___ No ___

*A new general application is required if you have been gone from CLC for over one term.
A new AD Nursing Program application is required for each year you seek acceptance into the AD Nursing Program.

An essential component of the nursing programs at CLC is the care of patients/clients in clinical settings. To provide this experience, the college contracts with local clinical facilities. All clinical facilities require that students are immunized against certain diseases. A clinical agency may refuse student participation in clinical experiences at their facility if a student is not immunized **including students who are conscientious objectors to immunizations. The nursing program at CLC does not guarantee an alternative facility placement for students who have not been immunized. If no alternative facility placement is available, the student cannot meet the clinical requirements and is therefore ineligible to enter the nursing program.**

All items listed below must be completed before applying for the AD Nursing Mobility Program.

PLEASE SEND THIS APPLICATION FORM TO THE ADMISSIONS DEPARTMENT OF CLC, BRAINERD CAMPUS TO ESTABLISH A FILE. Complete only if you plan to seek admission for **Fall 2010** to the AD Nursing program.
