Gainful Employment Disclosure Report
Industrial Mechanics and Maintenance Technology

PROGRAM(S)

Q: What program(s) are included in the measures below?

A: The institution has been approved to offer the following program(s) in this program area, but they may not all have had graduates.

Manufacturing Maintenance Technician - 64 credit Diploma

COSTS

Q: How much will this program cost me?

A: Tuition and Fees: \$10,512

Books and supplies: \$850

Costs are based on 2010-2011 rates. Actual costs will vary depending upon the specific program and courses taken.

FINANCING

Q: What are my financing options to pay for the program?

A: In addition to any grant and scholarship aid for which they are eligible, graduates may use loans to finance their education. The median debt for program graduates, including all loans while at this institution:

Federal loans: No data reported -- no graduates

Private educational loans: No data reported -- no graduates

SUCCESS

Q: How long will it take me to complete this program?

A: The program is designed to take 5 semesters to complete for students attending full-time (15 credits/semester). It is expected that students who attend part-time, pursue multiple programs/majors or change their program/major will take longer to complete the program.

No data reported -- no graduates.

Q: What are the chances of getting a job when I graduate?

A: Job placement rate is not reported -- no graduates or no graduates responded to the employment survey. Related job placement rate is not reported -- no graduates or no graduates responded to the employment survey.

PROGRAM(S)

Q: What program(s) are included in the measures below?

A: The institution has been approved to offer the following program(s) in this program area, but they may not all have had graduates.

Machine Technology - 30 credit Certificate

Machine Tool Technology - 44 credit Diploma

Manufacturing Technician - 18 credit Certificate

COSTS

Q: How much will this program cost me?

A: Tuition and Fees: Ranges from \$2,956 to \$7,227

Books and supplies: Ranges from \$750 to \$1,250

Costs are based on 2010-2011 rates. Actual costs will vary depending upon the specific program and courses taken.

FINANCING

Q: What are my financing options to pay for the program?

A: In addition to any grant and scholarship aid for which they are eligible, 50% of graduates use loans to finance their education. The median debt for program graduates, including all loans while at this institution:

Federal loans by 2009 graduates: \$1,750

Private educational loans by 2009 graduates: \$0

If less than 50% of graduates take federal or private loans, the median for that type of loan will be zero.

SUCCESS

Q: How long will it take me to complete this program?

A: The program is designed to take 2 to 3 semesters to complete for students attending full-time (15 credits/semester). It is expected that students who attend part-time, pursue multiple programs/majors or change their program/major will take longer to complete the program.

71% of 2009 graduates from this program finished in this time.

Q: What are the chances of getting a job when I graduate?

A: Job placement rate is not reported -- too few graduates in 2009.

Related job placement rate is not reported -- too few graduates in 2009.
