AUGSBURG COLLEGE

Transfer Policies and Credit Information

Augsburg accepts transfer courses from regionally accredited institutions which are at the college level, relevant to a liberal arts curriculum and graded C or better. Augsburg does not grant credit for developmental courses, technical/vocational courses, courses with grades below C, proficiency/exam credit issued by other institutions, or Continuing Education Units. Augsburg operates on a course credit system, rather than semester or quarter hours. One Augsburg course credit is equivalent to four semester hours. A maximum of 64 semester hours (16 Augsburg course credits) may be transferred from 2-year institutions. Courses taken beyond the credit limit can, however, be used to meet liberal arts and major requirements.

Minnesota Transfer Curriculum (MnTC)

Students who have completed their Associate of Arts degree with the MnTC and a cumulative grade point average of 2.5 or higher will receive the following benefits upon acceptance to Augsburg:

- Waiver of Liberal Arts Foundation requirements
- Waiver of the entry-level Critical Thinking requirement
- Waiver of one Lifetime Fitness requirement

Students are then responsible for:

- Meeting the requirements of an Augsburg major
- Satisfying minimum credit, residency, and G.P.A. requirements for graduation
- Meeting all general education requirements not completed or waived with previous transfer coursework

Note: the A.A. degree and MnTC must be completed prior to enrollment at Augsburg.
