## Climb Theatre "A Deeper Look"

On April 4th we were able to take a small group of Upward Bound students to a theatre production at Central Lakes College. The production was titled "A Deeper Look" and brought up some stereotypes that people commonly face. After the production students were able to participate in a group activity hosted by the Central Lakes College Diversity Leadership Council.

Pictured to the right Froylan & Brianna who met Paul Bunyan on the way to Brainerd.
