

CLC Civic Engagement Reporting Form

Civic Engagement creates awareness and a sense of responsibility through involvement with one's communities through a variety of volunteer activities for CLC students, faculty, and staff.

Benefits may include:

- Learning from others, self, and environment to develop informed perspectives on social issues
- Valuing diversity and building relationships across differences
- Working through controversy, with civility
- Taking an active role in government processes
- Participating actively in problem solving, public life and community service
- Enhancing leadership roles in organizations
- Developing empathy, ethics, values and sense of social responsibility
- Promote social justice locally and globally
- Giving back of individual time and talents for the greater good of the community
- Exchanging knowledge, skills, and experiences
