History

Central Lakes College was formed in 1995 to merge the strengths of the former Brainerd Community College and Brainerd Staples Technical College. Brainerd Community College had been established in 1938 as Brainerd Junior College. At that time, the college included both technical career programs and a college transfer program, all operated by the local school district. In 1963, Brainerd Junior College was chosen as the first member of the Minnesota State Junior College System to receive its own separate building. Brainerd Technical Institute remained as part of the school district.

Brainerd Technical College was at that time called a technical “institute” and remained part of the school district until the merger in 1995. Brainerd Technical Institute and its sister institution, Staples Technical Institute (30 miles away in the historic railroad town of Staples), developed programs designed to meet the changing needs of business and industry. In 1991, the State Board of Technical Colleges combined the administration of both schools, creating Brainerd Staples Technical College.
The Minnesota Legislature, meanwhile, began encouraging community and technical colleges to cooperate, and academic visionaries cited many advantages for consolidation. Brainerd Community College and Brainerd Staples Technical College volunteered to become one of the first merged colleges in the state and named Central Lakes College: A Community and Technical College.

In 1996, a $24 million addition opened on the original Brainerd Community College campus. At that time, the former Brainerd Technical College programs physically joined with the former community college and moved to the expanded site nestled in a curve of the Mississippi River. Under one roof in Brainerd are state-of-the-art facilities occupying 350,000 square feet with cutting-edge educational tools, laboratories, and space to grow. A 4,500 sq. ft. music rehearsal hall addition opened in 2008.

At Staples, a 15,500 square foot West Campus Heavy Equipment Center, funded at $1.72 million by the state, opened in 1999. A 30,000 sq. ft. maintenance facility opened in 2008, also on the Heavy Equipment campus. A well-equipped main campus addition in 1985 is also a training base for careers in demand. Started in 1950, the campus outgrew the original building. A completely new campus was built on the north edge of Staples near the Crow Wing River in 1971. The college has responded to educational trends by adding Web classes offered on the Internet, as well as evening and weekend courses.

Add/Drop Courses
Students are entitled to have the opportunity to attend one class session for each registered, for-credit course, without obligation. Students are permitted to add and drop courses up to the first five days of the semester, or one business day after the first class meeting, whichever is later. Students are financially obligated for any classes not dropped after the fifth business day of the term, or one business day after the first class session, whichever is later and students are not able to have those courses removed from their academic record. For purposes of this policy, business days are defined as Monday through Friday (excluding posted holidays).

Repeating A Course
A course may be repeated for an improved grade. Only the highest grade earned will be counted toward a degree and in the computation of the overall numerical grade point average. This policy applies to all grades including "F" grades. However, both the original and the repeated grade will appear on the student’s transcript. Tuition and fees will be charged each time. Repeated coursework is not automatically updated on a student’s record. A student who is repeating a course should fill out a ‘Course Repeat’ form, available in the Records and Registration office and at www.clcmn.edu/registration/forms.html in electronic and PDF format. See full Repeat policy in the Satisfactory Academic Progress policy section.

Preferred Name Policy
CLC Policy 1B.1.3 Preferred Name Policy. CLC recognizes and supports students who wish to use preferred names where legally permissible. Students may designate a preferred name to be used in the course of college business and education. Preferred Name Change Forms are available in the Office of Records and Registration.

Transcript Requests
The Records and Registration office maintains student academic records. Transcript records show all course work for which a student was registered during each term of enrollment and the grades awarded for those courses. Requests for transcripts can be made in person, by fax, by mail or electronically. Transcript requests will not be accepted via e-mail. If an official Central Lakes College (CLC) transcript is needed for a Minnesota State College or University, that institution may be able to obtain the CLC transcript electronically. Please contact that institution directly for further information. A complete listing of the Minnesota State colleges/universities can be found at www.Minnesota State.edu/campuses. Unofficial Transcripts may be obtained on the CLC registration Web site www.clcmn.edu/registration. Students will need their StarID and Password to access their transcripts.

All official transcript requests must be signed, dated, and include the following:
1. Complete name and current address
2. Student's social security number or ID
3. Program and date of last attendance
4. Address where transcript is to be mailed Transcript Request forms may also be submitted electronically from the Central Lakes College registration web site http://www.clcmn.edu/registration/registration-forms/
Transcript Hold
Academic student transcripts are not released for students with financial obligations. This includes unreturned library materials, media equipment, and physical education equipment and unpaid tuition, fees, or bookstore charges.

Academic Grading System
The college operates on a semester system. After each semester students may retrieve their grades from the Central Lakes College web site www.clcmn.edu/registration.

Definitions:
- The "I" grade is an agreement between the faculty member and the student. The student may be given up to one semester to complete the course requirements. An instructor will submit a grade change once the course requirements have been met. Students not completing the course requirements after the one semester will automatically receive an “F”.
- Students who have not attended the first 5 days of class will receive an “FN” grade and will not receive financial aid for this class.
- The “FW” grade means the student stopped attending class prior to 60% of the term being completed.
- The “S” grade represents average achievement of “C” or above. Arrangements for “S” grades must be made with the instructor. Credits of “S” will be limited to 30% of the total credits for the degree, diploma, or certificate.
- The “AU” grade means the student will audit the class. At the time of registration the student must indicate that he/she chooses to audit a class. The audit permits attendance and participation in course activities. No credit is earned for the audited course, and financial aid does not cover the course. However, tuition and fees remain the same. Regular attendance without registration is not authorized.
- Credit: The unit by which academic work is measured.
- Registered Credits: The total number of credits for which a student is officially enrolled at the end of the registration drop/add period of each semester.
- Earned Credits: Successfully completed credits.

Grade Point Average (GPA)
The grade point average (GPA) is determined by adding all grade points earned and dividing by the sum of all credits attempted in courses where letter grades of A, B, C, D, or F were received. Courses with grades of I, W, IP, S, U, AU, NC, and all transfer grades do not apply toward GPA calculations. A semester example is shown below.
Grades Points Credits  Points
A= 4.00 x  3=          12.00
B= 3.00 x  3=           9.00
C= 2.00 x  3=           6.00
D= 1.00 x  3=           3.00
F= 0.00 x  3=           0.00
Total 15=         30.00
GPA= 30/15= 2.00

Both the term GPA and the cumulative GPA show on a grade report and a transcript. Students who do not maintain a 2.0 or higher cumulative GPA will be put on academic probation/suspension. A cumulative 2.0 GPA is required for graduation.

Address Changes
Students may now change their address and phone number online www.clcminn.edu/registration. Students are responsible for keeping their address current with Central Lakes College.

Classification of Students
Students are not required to take a minimum number of credits each semester. However, to make progress toward the completion of a 60-credit associate degree or diploma within a two-year time frame, students must complete an average of 15 credits each semester. Students planning to take more than 19 credits fall and spring semesters and more than 9 credits summer semester must obtain approval from an advisor. For reporting purposes, students are classified according to the following:
• Full-time: A student who is enrolled in at least 12 credits during a semester.
• Part-time: A student who is enrolled in 11 or fewer credits during a semester.
• Freshman: A student who has completed 29 or fewer semester credits.
• Sophomore: A student who has completed 30 or more semester credits.

Visiting Students
Central Lakes College allows students registered at other Minnesota State Colleges and Universities to register for courses at Central Lakes College as long as those courses traditionally have not had demand from Central Lakes College admitted students which historically had exceeded available seating capacity in the course.

Visiting Students are not required to apply to Central Lakes College to register for their selection of courses and are permitted to register for a maximum of 22 credits among all Minnesota State colleges and universities. Visiting Students are not eligible for Financial Aid at Central Lakes College, but may be eligible for federal financial aid at their home college or university.

Graduation Requirements
1. Candidates for degrees, diplomas, and certificates must comply with the following criteria:
2. Complete all degree, diploma and certificate program requirements. Credits must be earned in courses numbered 1000 or above.
3. Achieve a cumulative grade point average (GPA) of 2.0 or better on a 4.0 grading scale.
4. Fulfill all financial obligations to the college.
5. Complete one-fourth of their credits at Central Lakes College.
6. Submit an “Application for Graduation” form to the Records and Registration office the semester before graduation.
7. Students who receive a 3.25-3.74 Cumulative GPA will graduate with honors. Students who receive a 3.75-4.0 Cumulative GPA will graduate with high honors.

For the graduation ceremony, honors and high honors are determined at the end of fall semester. At this time, spring grades are not included.

Transfer of Credit
Students seeking a degree, diploma or certificate who have attended a previous college must have all official transcripts sent directly from that college to Central Lakes College Records and Registration. If the transcript is hand-delivered by the student, it must be delivered in an unopened college envelope. Student copies and faxed transcripts are not considered official. A course syllabus or course outline may be requested to determine course transferability.

Courses completed from colleges or universities which do not possess regional accreditation will be considered on an individual basis for evaluation but do require a syllabi or course outline for the course. Other documentation may be required. Transfer of credits shall be accomplished in accordance with Minnesota State Colleges and Universities policy and the policy of Central Lakes College. Once a course has met the criteria necessary for inclusion in the Minnesota Transfer Curriculum in any area of emphasis, the course must be accepted for full credit in that area of emphasis at all Minnesota State Colleges and Universities.
Lower division courses (100, 200, or 1000, 2000 numbered) completed with a grade of “D-” or better at regionally accredited colleges will be accepted in transfer. “S” grades will be accepted if the transcript legend designates the “S” grade equals a “C” grade or higher. Not more than six upper-division (300, 400 or 3000, 4000 numbered) semester credits may be used in transfer.

Your Rights as a Transfer Student
1. To receive a clear, understandable statement of an institution's transfer policy.
2. To receive a fair credit review and an explanation of why credits were or were not accepted.
3. To appeal a transfer decision.

Transfer Appeals Process
1. Student completes the Transfer Appeal Form indicating they would like to appeal a transfer evaluation decision.
2. The CLC Registrar will review the Transfer Appeal and notify the student of the outcome of the appeal in writing.
3. If the student is not satisfied with the decision of the college, they have the right to appeal to the Vice President of Academic and Student Affairs. (Please contact the Transfer Specialist for the appropriate paperwork.)
4. If the student is not satisfied with the decision of the Vice President of Academic and Student Affairs, they have the right to appeal to the Senior Vice Chancellor of Academic and Student Affairs at Minnesota State using the System Appeal Form. This decision is final. (Please contact the Transfer Specialist for assistance with completing the appeal.)

Credit for Military Experience
An enrolled student may request an evaluation of military experience and education for college credit from an official military transcript. This is evaluated and awarded by the Registrar according to the standards of the American Council on Education (ACE), the American Association of College Registrars and Admissions Officers (AACRAO), and the policies of Central Lakes College. Contact the Records and Registration office for information.

Credit for Advanced Placement Testing
Central Lakes College will award credit for Advanced Placement testing provided the student earned a score of 3 or above on the exam. The amount of credit granted will not exceed the credit granted for an equivalent course or course sequence offered by CLC. Approved credits will be transcripted as “Advanced Placement” credits. Students wishing to apply for Advanced Placement credit should request to have test results mailed to Records and Registration.

Credit for CLEP
Credit for both subject and area examinations of CLEP (College Level Examination Program) will be evaluated for credit according to the recommendation of the American Council on Education and according to the policies of Central Lakes College. Students wishing to apply for credit should have results mailed from CLEP directly to the Records and Registration office. Approved credits will be transcripted as “CLEP” credits. Information about CLEP is available in the Counseling Center.

Credit for Advanced Standing Certification
Central Lakes College has a number of course equivalency agreements with high schools. These articulation agreements allow students to experience advanced learning that can be used in their college career. Students are subject to the current articulation agreement that is in effect at the time of their enrollment at Central Lakes College. Advances Standing Certification credits are transcripted showing total credits and identified as “Advanced Standing Certification” credits. Students who are interested in further information should contact their high school counselor or the Records and Registration office of Central Lakes College.

Credit by Evaluation
If a student is confident that he/she has the competencies needed to meet the objectives for a diploma program course, he/she may make a request for Credit by Evaluation by following these steps:
1. Contact the instructor of the course you would like credit for to see if this option is available.
2. If the student decides to proceed, he/she should complete the Credit by Evaluation form.
3. After the student completes the form, the VP of Academic Affairs or designee will assign the appropriate instructor to administer the evaluation. The evaluation may be oral, written, demonstration, or a combination of these.
4. The student will go to the cashier to pay the appropriate non-refundable fee. Students are reminded that financial aid does not cover any of the Credit by Evaluation fees.
5. The student will then meet with the assigned instructor to set up the test time and finalize criteria for the evaluation.
6. The examination will be administered to the student.
7. The instructor will return the Credit by Evaluation form to the VP of Academic Affairs who will ensure the credits are appropriately transcripted.
8. Only the grade of “S” will be allowed for Credit by Evaluation courses.
**Withdrawing from a Course**

Students may withdraw online using e-services by selecting the “drop/withdraw” function after selecting the course you wish to withdraw from. When a student withdraws from a course, his/her transcript will show a "W" grade for the course. The last date to withdraw from a course is course specific. This information is located on the course webpage in eServices. While withdrawing from a course does not affect a student’s GPA, the student needs to complete 67% of his/her attempted credits to remain in good academic standing at Central Lakes College. The college strongly recommends that before a student withdraws from a course, he/she should first meet with an advisor. No refunds are given for withdrawing from individual courses.

**Tuition & Fees**

Please visit the Business Office web page for up-to-date tuition rates, fees and policies.

Central Lakes College does not mail tuition statements. The act of registration is considered an acknowledgement on the part of the student that he/she will attend and pay for the registered courses. It is the responsibility of the student to review their account in Student e-Services and pay their bill in a timely manner.

- Tuition is due 15 days prior to the start of the semester.
- Tuition payments must be received, in the Business Office, by 4:30 p.m. on the tuition due date.
- Financial Aid is disbursed on the 12th day of the semester. For current student account information please check online @ http://www.clcmn.edu. Select e-Services at the top of the screen and log in using your StarID.

**Tuition**

- Central Lakes College charges in-state tuition to all students unless another state’s reciprocity agreement dictates otherwise.
- Tuition for online courses is an additional $30.00 per credit.
- Certain technical and lab courses may be charged a higher rate of tuition.
- Additional charges may apply depending on the courses for which a student registers.

**Mandatory Fees**

- Parking Fee: Students are charged $2.50 per credit and a maximum of $40 per semester for on campus parking. This fee supports parking lot and sidewalk construction, improvements and maintenance. This fee is not assessed for online or off campus credits, nor is it assessed for summer term.
- Statewide Student Association Fee: This fee is $0.35 per credit and supports the Minnesota State Colleges Student Association (MSCSA).

**Other Fees**

- Student Life/Activity Fee: This fee is $5.35 per credit and supports campus cultural activities, student senate and student clubs. The fee maximum is $112.50 per semester.
- Student Athletics Fee: This fee is $4.20 per credit and supports student athletics and free access to home games. The fee maximum is $55.00 per semester.

The actual cost shall be the allowable maximum charge. These charges may include but are not limited to testing fees, assessment fees, processing fees, or other course related fees.

**Senior Citizen Charges and Fees**

As defined in Minnesota Statutes §135A.51 a senior citizen is a legal resident of Minnesota who has reached 62 years of age before the beginning of any term, in which a course of study is pursued. Senior citizens pay an administrative fee of $20 per semester credit in lieu of tuition. Senior citizens are exempt from student activity fee, but are required to pay all other applicable student fees. Senior citizens who audit a course do not pay the $20 administrative fee, student activity fee, technology fee, or student association fee, but are still responsible parking fees and all other applicable fees.

**Due Dates**

The tuition due date is fifteen business days prior to the start of the term. Start of the term is the first day classes are held.

Registration Cancellation will process for unpaid credit registrations on the sixth business day of the term. Full payment is due twenty-five business days after the start of the term unless the student has obtained an approved tuition and fee payment plan. Financial aid disburses on the twelfth day of the term.
Registration Cancellation
The college shall cancel student registration for all credit courses unless one of the following conditions has been met:
• The student has paid at least 15% of the Tuition and Fees due or made a $350 down payment towards tuition and fees;
• An Institutional Student Information Record (ISIR) has been received by the college;
• The student has enrolled in a Nelnet payment plan;
• The student has received an approved third party funding deferral and the college is in possession of an authorization, in an amount adequate to cover charges; or
• The student has received an approved waiver or scholarship at least equal to the amount of tuition and fees due.

The registration cancellation process will occur:
• Three weeks prior to the start of the term, after the tuition due date
• On the 6th business day of the term, after the free add/drop period has ended

By meeting the minimum criteria of the payment policy, registration is secured and students should attend their courses.

If plans change and the student will not be attending, it is the student’s responsibility to login to e-Services and drop/cancel their course registration by the end of the 5th day of the term. Students should not rely on the Registration Cancellation process to drop their courses for them.

Payment Plans
Nelnet Payment Plan: Central Lakes College offers Nelnet as a convenient budget plan. The cost to budget an interest-free monthly payment plan is a $24 per semester, non-refundable enrollment fee. Tuition, fees and books may be included in the plan. Payments are made through an automatic withdrawal from either a checking, savings, or credit card account. Payments are processed on the 5th or 20th of each month. Additional information is available at http://www.clcmn.edu/businessoffice/.

CLC Payment Plan: Student accounts not paid in full or enrolled in a Nelnet payment plan, by the 25th day of the term are past due, are considered to be on the CLC internal payment plan and are charged a $30 payment plan fee. After the fee is applied, students have until the last day of the term to pay their account in full.

Unpaid Balances and Late Fees
An Unpaid Balance Hold is applied to accounts on the 25th day of the term. This hold prevents registration for additional courses at any MNSCU college or university. Payment in full is required before you may register for subsequent courses and before the hold is removed. Accounts not paid in full by the end of the semester are charged a $50 late fee and referred to Minnesota Department of Revenue for collections. After referral, additional collection fees are applied to the past due account.

Deferment for Textbooks and Course Materials
Bookstore charging is open four weeks each term; beginning three weeks prior to the start of each term and ending the fifth day of the term. Students that have met the minimum tuition payment criteria, and are not in danger of having their course registrations cancelled, may charge up to $1000 in the campus bookstore for textbooks and related supplies. A picture ID (student id, driver's license) and a course schedule are required to charge books. Books can also be purchased online at http://clcbookstore.com, and charged to financial aid, PSEO or credit card.

Dishonored Checks/NSF Fee
Checks will be considered NSF/dishonored after they have been presented to the bank twice and are returned to Central Lakes College unpaid due to non-sufficient funds, closed account, stop payment, etc. Dishonored checks will be backed out of the account to which they were deposited and the NSF fee will be charged. If the reversal of the receipt causes the account to become unpaid after the due date, applicable late charges will also be added to the account. The NSF fee is $35 and is subject to change without notice.

Students’ Receiving Financial Aid
The fee statement does not list the amount of financial aid a student is eligible to receive. It shows the amount of tuition and fees owed. The financial aid award letter lists the types and amounts of funding a student is eligible to receive based on the number of enrolled credits. The two documents should be compared to determine if the student will personally owe the college for any of the tuition costs.

A separate loan promissory note must be completed in order to borrow a student loan. If you decide to borrow a student loan, there are new regulations from the Federal Government regarding loan disbursements:
• For all borrowers, a single term loan (i.e. fall semester) must have two disbursements. The first disbursement will be in the first half of the term, and the second disbursement will occur after the midway point.
• For first-time borrowers, the first disbursement will be delayed until after the 30th day of the first term.
Attendance is required to earn 100% of your financial aid award. Your record is reviewed to ensure compliance with financial aid rules.
If you do not complete your courses, you may be required to pay back a portion or your entire financial aid award. Financial aid recipients may not use their current aid to pay unpaid balances from previous academic years.

**Refunds for Dropped Classes**

Students are entitled to have the opportunity to attend one class session for each registered, for-credit course, without obligation. Subject to the refund for full withdrawal provision, students are financially obligated for any classes dropped after the fifth business day of the term, or one business day after the first class session, whichever is later. Business days are defined as Monday through Friday (excluding posted holidays). If a student is financially obligated for a dropped class, the student may petition Central Lakes College to apply the amount of the tuition and/or fees for the dropped class to the cost of an added class for the current term.

For courses less than three weeks in length, the no-obligation drop-and-refund period is one business day after the first class session for each for-credit course.

**Refunds for Withdrawals**

Courses are non-refundable after the fifth day of the semester. You are responsible to drop any courses you do not plan to attend by the published deadline.

You may be eligible for a partial refund if you withdraw from all courses by the published dates.

**Fall and Spring Term Refund %**
- 1st through 5th day of semester 100%
- 6th through 10th day of semester 75%
- 11th through 15th day of semester 50%
- 16th through 20th day of semester 25%
- After 20th day of semester 0%

**Summer Term Refund %**
- 1st through 5th day of term 100%
- 6th through 10th day of term 50%
- After the 10th day of term 0%

**Waivers**

The president may waive amounts due to Central Lakes College for the following reasons:
- Employee Benefit Provided by a collective bargaining agreement
- Death of a student
- Medical reasons
- College error
- Employment related condition
- Significant personal circumstances
- Student leader stipends
- Course conditions (A course condition exists when the location or timing of the course results in the student not being able to use the services intended by a fee)
- Natural disasters or other situations beyond the control of the campus

The president may waive amounts due to Central Lakes College for individual institutional waivers as approved by the Board. Central Lakes College shall define the terms under which any authorized waiver will be granted. Central Lakes College maintains documentation for all waivers.

Central Lakes College, in accordance with Board policy, cannot waive the MSCSA student association fee.

**Appeals for Tuition and Fee Refund**

After the drop/add period has expired, a refund of all or part of the tuition paid may be given under certain circumstances. Students may apply for an Administrative Refund for the following reasons only:
- Medical Reasons: injury or illness that requires a prolonged absence. A doctor’s statement, on physician’s letterhead, is required and must declare that the medical condition impairs the student’s ability to attend or complete classes.
- Significant Personal Circumstances defined as a life event beyond the student’s control that can be corroborated by an independent professional, such as a social worker, lawyer or law enforcement agent.
- Military duty (letter of assignment or notice of re-call is required).
- Death in the immediate family (that can be documented).
Financial aid is based on the number of registered and paid credits. If an Administrative Refund is approved, a student’s financial aid may be reduced, which would require the student to repay a portion of his/her financial aid. Students need to contact the Financial Aid office before applying for a tuition refund to determine if their aid package will be impacted.

If an Administrative Refund is granted, classes are dropped, no grades are awarded and the student’s transcript is not impacted. Appeal forms are available from the Financial Aid Office and the Business Office. Forms must be completed and signed by the student.

Appeals must be made within ninety (90) calendar days of the end of the semester for which the debt was incurred. Appeals will not be considered for debt greater than ninety days old. A committee reviews all Administrative Refund Appeals.

Financial Assistance

Central Lakes College is dedicated to bringing the highest quality of education within reach of every person who has a desire to pursue a college education. The Financial Aid office at CLC has developed a comprehensive financial aid program based on federal, state, and institutional resources to help cover the cost of education. CLC annually awards assistance to about 70 percent of its student body. Therefore, no prospective student should hesitate to apply for admission because of financial circumstances. The CLC Financial Aid staff encourages all students to apply for financial aid. For the most current information regarding Financial Aid please visit the CLC Web site at www.clcmn.edu/financialaid. CLC has a financial aid office on each campus.

Eligibility Requirements: Unless otherwise stated, students receiving financial aid must:

1. Demonstrate financial need, as determined by the results of the Free Application for Federal Student Aid (FAFSA);
2. Have a high school diploma or GED.
3. Be enrolled and attend class as a regular student in a degree program of at least one academic semester in duration that leads to a certificate, degree or other recognized credential and prepares students for gainful employment in a recognized occupation;
4. Maintain federal and state regulations requiring that all persons receiving financial aid meet the college’s Standards of Academic Probation and Suspension.
5. Be a U.S. citizen or an eligible non-citizen;
6. Not be in default on any student loan or owe a refund to any student grant program;
7. Be registered for Selective Service (if required).

How is Eligibility Determined?

Most financial assistance is awarded on the basis of financial need and may include a combination of the various types of aid. Need is defined as the difference between the cost of attending Central Lakes College and the available resources of the student and student’s family to meet these costs (determined by the results of the Free Application for Federal Student Aid).

How to Apply for Financial Aid:

The Free Application for Federal Student Aid (FAFSA) is available after October 1 of each year. (The FAFSA needs to be completed online each year the student is in school.) If you have Internet access, you can file a FAFSA at www.fafsa.gov. A paper FAFSA may be requested by directly contacting the US Department of Education. Please contact the Financial Aid office if you have questions.

Students who have a completed financial aid application on file with the college by June 1 receive priority consideration for campus-based aid (Federal Supplemental Educational Opportunity Grant (FSEOG) and student employment). After June 1, applications are reviewed on a first-come, first-serve basis. Separate applications are processes are needed for Post-Secondary Child Care Grant program, Alliss Grant, Foundation Scholarships, and any student loan.

Types of Financial Assistance

Financial aid comes in three basic categories: Grants and Scholarships, Student Employment and Loans.

1. Grants and Scholarships: a. Federal Pell Grant - This is a federal grant awarded to eligible students. Students must demonstrate financial need.
   b. Federal Supplemental Educational Opportunity Grant (SEOG) - This is a federally funded grant administered by the college. Students must demonstrate high financial need. Awards are limited to funds available.
   c. Minnesota State Grant - This is for Minnesota residents attending a Minnesota college only based on eligibility.
   d. Post-Secondary Child Care Grant Program - Income-based grant for students who have children in day care. Awards are limited to funds available.
   e. Alliss Grant - This grant pays for up to one 1-5 credit class for eligible students. A student may receive it once. Course fees and books are not covered by this grant.
f. CLC Foundation Scholarships - CLC has an extensive scholarship program for a variety of scholarship applicants. A CLC Foundation Scholarship application is required. Certain deadlines apply. Check with the Foundation office, Admissions, Financial Aid or the Counseling/Career Center for more information and application form.

g. Outside scholarships - Announced in community newspapers and local high schools. Students may contact the Foundation office.

2. Student Employment: Provides students with opportunities to earn money to help meet educational costs. Students must complete the FAFSA to demonstrate financial need in order to qualify. Student employment is viewed as a regular job with responsibilities and employer expectations. Students receive an hour’s pay for an hour’s work. Jobs are available both on campus or at designated off-campus sites. A listing of available jobs can be found on the college’s Web site under Financial Aid.

3. Student Loans: Money that is borrowed and must be repaid. All borrowers must complete loan entrance and exit counseling, a Master Promissory Note and complete a separate online loan acceptance process. Central Lakes College requires a 30 day delay for students who are new borrowers to receive their loan proceeds. In addition, all Federal Direct loans are subject to multiple disbursement regulations.
   a. Federal Direct Student Loan programs (subsidized and unsubsidized) - Low-interest loans obtained via CLC, through the U.S. Department of Education. Interest will not exceed 8 1/4% with long-term payments beginning six months after enrollment drops below six credits.
   b. Federal Direct Parent Loan for Undergraduate Students (PLUS) - This loan has a variable interest rate, not to exceed 9%, with payments due within 60 days after the loan is fully disbursed.
   c. Federal Perkins Loan - A student must show high financial need for this low interest loan at 5%. Recipients are determined by CLC according to the amount of funds available. Priority is given to students who have their financial aid file completed prior to June 1.
   d. Alternative Loans - These loans should be used as a last resort, and are secured through a bank, savings and loan or credit union. Interest rates vary greatly and a creditworthy co-signer is usually required.

   **Steps for Receiving Student Financial Aid**
   1. The student must be accepted for admission and enrolled at Central Lakes College.
   2. The student must file a Free Application for Federal Student Aid (FAFSA).
   3. The U.S. Department of Education processor sends a Student Aid Report (SAR) to the student via email or U.S. mail.
   4. The U.S. Department of Education processor automatically sends the college your information when you have entered the appropriate college code on the FAFSA. Central Lakes College code is 002339.
   5. Paperwork such as Tax Transcripts (parent and/or student), Institutional Verification Forms (IVF), or Social Security card may be required.
   6. Students transferring from one college to another in the middle of the academic year must inform both schools of their intent to transfer.
   7. Estimated award information will be available to students via the E-Services portal after the financial aid file is completed. Students will be notified via e-mail that their award is ready. This award information will explain your grant, loan and work eligibility. Your financial aid award will be finalized at the time of disbursement.
   8. Financial aid awards are based on the number of credits at time of disbursement. Students who add a class after their aid has been disbursed may not be eligible for additional financial aid. Students who withdraw from a class prior to their aid being disbursed do not receive aid for the withdrawn class.
   9. If you or your family have unusual circumstances, (such as unusual medical or dental expenses not paid by insurance, loss of income or assets) please contact the Financial Aid office, or refer to the "Special Circumstances" paragraph at the end of your award letter.

   **Return of Federal Financial Aid**
   Any student considering totally withdrawing from the college should contact the Financial Aid office before making a decision to totally withdraw. CLC is not required to, and does not, record student attendance. Federal regulations mandate that the college have a procedure in place to ensure that students have attended, at a minimum, one class session in each course in which the student has registered, if that course was used to determine enrollment status for Federal funding. In addition, Federal regulations require that students who totally withdraw, whether officially or unofficially or have stopped attending all their classes on or before the 60% point in time of the completed term must be evaluated under the Federal Return to Title IV refund regulations. These regulations include a Federal formula which will determine if a repayment is owed to the financial aid programs for which the student was funded. Withdrawal on or before 60% of the completed term means that a student has not earned all of the financial aid he/she was paid. Federal regulations consider the student to have earned all of their aid if the student’s attendance extends beyond the 60 percent point of the term.

   The Return of Federal Financial Aid policy applies to the following federal aid programs and funds must be returned in this order: Federal Direct Loans, Perkins Loans, PLUS loans, Pell Grants, SEOG Grants. Refunds to Minnesota financial aid programs are calculated appropriately using CLC’s Refund policy.
Impact of Total Withdrawals before the 60% percentage point of time
Students may receive financial aid either as a credit to an account or as a cash payment. If funds have been credited to the student account and the college has an obligation to return federal funds, the student will owe a balance to the college. When a student owes a balance to the college for unpaid tuition/fees, repayment arrangements must be made within 30 days. If the student fails to make repayment arrangements, the college will turn the balance owed the college to the Minnesota Revenue Recapture Program. Examples of these calculations are available upon request in the CLC Financial Aid office. Refunds to Financial Aid Programs are conducted before the student would receive a withdrawal refund. For students receiving State financial aid funding, Minnesota Higher Education Services Offices policies will apply.

Unofficial Withdrawals
Any student who stops attending but does not officially withdraw will be considered an unofficial withdrawal. For unofficial withdrawals the last date of attendance is defined as the student’s last date of recorded attendance or the midpoint of the semester. Every effort is made to identify students as soon as possible after their withdrawal. Unofficial withdrawals will not receive a refund of tuition or fees. CLC uses the U.S. Dept. of Education software to determine how much funding will be considered unearned and will need to be returned. Students must attend each class at least once to receive a portion of their financial aid.

Satisfactory Academic Progress
Federal law requires that a recipient of state or federal financial aid make satisfactory academic progress toward a degree, diploma or certificate. All students are required to maintain a 2.0 cumulative grade point average and/ or complete a minimum of 67% of cumulative registered credits, and complete their program within 150% of the program length in credits. In addition, the Financial Aid office is required by the U.S. Department of Education to monitor whether or not a student will be able to graduate in a timely fashion.

Based upon U.S. Department of Education regulations, Minnesota State Colleges and Universities (Minnesota State) policy states "once the institution determines that it is not possible for a student to raise his/her GPA (2.0) or course completion percentage (67%) to meet the institutions standards before the student would reach the end of the program, the student shall be suspended from financial aid". The complete Satisfactory Academic Progress Policy can be found on the CLC Policy and Procedure website: http://www.clcmn.edu/college-policies/.

Student Conduct Policies and Procedures

3.6 Student Conduct Policy

Part 1. Student Conduct Policy
The Central Lakes College Student Code of Conduct serves two purposes: the first purpose is to serve as a guide for student behavior; the second purpose is to outline the procedures to be followed, both by students and college officials, should violations of the Code occur. It is expected that all students will read this code and will be responsible for knowing and abiding by its content.

In the eyes of the College, two authorities guide a student's conduct while on campus or while participating in off-campus, college-sponsored activities. First, as a citizen of the larger community, each student is expected to abide by the rules, regulations, and policies of the College as well as local, state, and federal laws.

Part 2. Off Campus Conduct Jurisdiction

The College Student Code shall apply to conduct that occurs on College premises, at College-sponsored activities, and to off-campus conduct, including Central Lakes College Foundation Student Housing, in the following circumstances:
1. Hazing is involved; or
2. The violation is committed while participating in a college sanctioned or sponsored activity; or
3. The victim of the violation is a member of the college community; or
4. The violation constitutes a felony under state or federal law; or
5. The violation adversely affects the educational, research, or service functions of the college.

As an institution dedicated to teaching and learning, Central Lakes College has a vested interest in maintaining an environment in which students are free to pursue their academic interests and responsibilities. Conduct that unreasonably restricts such freedom and interferes with the College mission of promoting student learning is subject to regulation and/or sanction by the College. The creation of such an environment is premised on the assumption that students have both rights and responsibilities. Therefore, a major function of the College is to guarantee student rights, yet to demand student responsibility.

Part 3. Appeals

Students found to be responsible for a conduct violation shall be provided an avenue of appeal within the institution. In addition, in cases involving sanctions of suspension for 10 days or longer, students shall be informed of their right to a contested case hearing under Minnesota State Statute 14. Student Code of Conduct Policy and Procedures are located on the CLC website:
Policy 3.6 http://www.clcmn.edu/wp-content/uploads/2015/06/3.6-Student-Conduct-Policy.pdf

- Students will be referred to the Dean of Students, Equity & Inclusion, for disciplinary action.
- Students may have possible legal action taken against them by the State or Federal Government.

Special Addition to Policy:
Students and faculty who are enrolled in or teaching in the programs of Heavy Equipment Operations and Maintenance and the Diesel and Heavy Equipment Technician Programs must comply to a specific program drug and alcohol policy as well as the general College policy.

Drug/Alcohol Policies:

Health Risks Associated with Alcohol and Drug Use and Abuse
Alcohol: Alcohol consumption causes a number of changes in behavior and physiology. Even low doses significantly impair judgment, coordination, and abstract mental functioning. Statistics show that alcohol use is involved in a majority of violent behaviors on college campuses, including acquaintance rape, vandalism, fights, and incidents of drinking and driving. Continued abuse may lead to dependency, which often causes permanent damage to vital organs and deterioration of a healthy lifestyle.

Amphetamines: Amphetamines can cause a rapid or irregular heartbeat, headaches, depression, damage to the brain and lungs, tremors, loss of coordination, collapse, and death. Heavy users are prone to irrational acts.

Cocaine/Crack: Cocaine users often have a stuffy, runny nose and may have a perforated nasal septum. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature, paranoia and depression. Cocaine is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, psychosis, convulsions, stroke and even death.

Hallucinogens: Lysergic Acid Diethylamide (LSD) causes illusions and hallucinations. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instincts in check. Hallucinogens can cause liver damage, convulsion, coma and even death.
Marijuana: Marijuana may impair or reduce short-term memory and comprehension, alter sense of time, and reduce coordination and energy level. Users often have a lowered immune system and an increased risk of lung cancer. Users also experience interference with psychological maturation and temporary loss of fertility. The active ingredient in marijuana, THC, is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.

Methamphetamine: Methamphetamines, known as speed, meth, ice, glass, etc., have a high potential for abuse and dependence. Taking even small amounts may produce irritability, insomnia, confusion, tremors, convulsions, anxiety, paranoia, and aggressiveness. Over time, methamphetamine users may experience symptoms similar to Parkinson’s disease, a severe movement disorder.

Narcotics: Narcotics such as codeine, heroin or other opiate drugs cause the body to have diminished pain reactions. The use of heroin can result in coma or death due to a reduction in heart rate.

Steroids: Steroid users experience a sudden increase in muscle and weight and an increase in aggression and combativeness.

CLC is committed to eliminating sexual harassment and sexual violence in all forms and will take appropriate remedial action against any individual found responsible for acts in violation of this policy. Acts of sexual violence may also constitute violations of criminal or civil law, or other Minnesota State Board Policies that may require separate proceedings. • Protecting your beverage
• Knowing your limits
• Going out in groups
• Having a safety plan

Increasing protective factors
• Raising knowledge and awareness of sexual violence
• Improving communication and conflict resolution skills
• Eliminating gender roles
• Taking a stand and taking action against sexual violence
• Educating others

Bystander Intervention
• Paying attention to situations that may easily escalate
• Creating a distraction or intervening
• Talking directly to the person who may be in trouble and asking if they need help

This policy shall apply to all individuals affiliated with Minnesota State Colleges and Universities, including but not limited to, its students, employees, applicants, volunteers, agents, and Board of Trustees, and is intended to protect the rights and privacy of both the complainant and respondent and other involved individuals, as well as to prevent retaliation or reprisal. Individuals who violate this policy shall be subject to disciplinary or other corrective action.

This policy supersedes all existing system, college, and university equal opportunity and nondiscrimination policies.

Part 2. Definitions.

Subpart A. Consensual Relationship. Consensual relationship means a sexual or romantic relationship between two persons who voluntarily enter into such a relationship. Employees who are members of the same household should also refer to Board Policy 4.10, Nepotism.

Subpart B. Discrimination. Discrimination means conduct that is directed at an individual because of his or her protected class and that subjects the individual to different treatment by agents or employees so as to interfere with or limit the ability of the individual to participate in, or benefit from, the services, activities, or privileges provided by the system or colleges and universities or otherwise adversely affects the individual's employment or education.

Subpart C. Discriminatory harassment. Discriminatory harassment means verbal or physical conduct that is directed at an individual because of his or her protected class, and that is sufficiently severe, pervasive, or persistent so as to have the purpose or effect of creating a hostile work or educational environment.
As required by law, Minnesota State Colleges and Universities further defines sexual harassment as a form of sexual discrimination which is prohibited by state and federal law. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct, and other verbal or physical conduct of a sexual nature when:
1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education, evaluation of a student's academic performance, or term or condition of participation in student activities or in other events or activities sanctioned by the college or university; or
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions or other decisions about participation in student activities or other events or activities sanctioned by the college or university; or
3. Such conduct has the purpose or effect of threatening an individual's employment; interfering with an individual's work or academic performance; or creating an intimidating, hostile, or offensive work or educational environment.

Subpart D. Employee. Employee means any individual employed by Minnesota State Colleges and Universities, including all faculty, staff, administrators, teaching assistants, graduate assistants, residence directors and student employees.

Subpart E. Protected Class. For purposes of this policy:
1. Protected class includes race, sex, color, creed, religion, age, national origin, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, or gender expression. In addition, familial status and membership or activity in a local human rights commission are protected classes in employment.
2. This policy prohibits use of protected class status as a factor in decisions affecting education and employment where prohibited by federal of state law.

Subpart F. Retaliation. Retaliation includes, but is not limited to, intentionally engaging in any form of intimidation, reprisal or harassment against an individual because he or she:
   a) made a complaint under this policy;
   b) assisted or participated in any manner in an investigation, or process under this policy, regardless of whether a claim of discrimination or harassment is substantiated;
   c) associated with a person or group of persons who are disabled or are of a different race, color, creed, religion, sexual orientation, gender identity, gender expression, or national origin; or
   d) Made a complaint or assisted or participated in any manner in an investigation or process with the Equal Employment Opportunity Commission, the U.S. Department of Education Office for Civil Rights, the Minnesota Department of Human Rights or other enforcement agencies, under any federal or stated nondiscrimination law, including the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; the Minnesota Human Rights Act, Minn. Stat. Ch. 363A, and their amendments.

Retaliation may occur whether or not there is a power or authority differential between the individuals involved.

Subpart G. Sexual harassment and violence as sexual abuse. Under certain circumstances, sexual harassment or violence may constitute sexual abuse according to Minnesota law. In such situations, the system office and colleges and universities shall comply with the reporting requirements in Minnesota Statutes Section 626.556 (reporting of maltreatment of minors) and Minnesota Statutes Section 626.557 (Vulnerable Adult Protection Act). Nothing in this policy will prohibit any college or university or the system office from taking immediate action to protect victims of alleged sexual abuse. Board Policy 1B.3 Sexual Violence addresses sexual violence.

Subpart H. Student. For purposes of this policy, the term “student” includes all persons who:
1. Are enrolled in one or more courses, either credit or non-credit, through a college or university;
2. Withdraw, transfer or graduate, after an alleged violation of the student conduct code;
3. Are not officially enrolled for a particular term but who have a continuing relationship with the college or university;
4. Have been notified of their acceptance for admission or have initiated the process of application for admission or financial aid; or
5. Are living in a college or university residence hall although not enrolled in, or employed by, the institution.

Part 3. Consensual Relationships. An employee of Minnesota State Colleges and Universities shall not enter into a consensual relationship with a student or an employee over whom he or she exercises direct or otherwise significant academic, administrative, supervisory, evaluative, counseling, or extracurricular authority or influence. In the event a relationship already exists, each college and university and system office shall develop a procedure to reassign evaluative authority as may be possible to avoid violations of this policy. This prohibition does not limit the right of an employee to make a recommendation on personnel matters concerning a family or household member where the right to make recommendations on such personnel matters is explicitly provided for in the applicable collective bargaining agreement or compensation plan.

Part 4. Retaliation. Retaliation as defined in this policy is prohibited in the system office, colleges and universities. Any individual subject to this policy who intentionally engages in retaliation shall be subject to disciplinary or other corrective action as appropriate.

Part 5. Policies and procedures. The chancellor shall establish procedures to implement this policy. The equal opportunity and nondiscrimination in employment and education policy and procedures of colleges and universities shall comply with Board Policy 1B.1 and Procedure 1B.1.1.

College Information

Libraries
A physical library is located on both the Staples and Brainerd campuses. They provide for academic needs beyond the classroom and include printed material, research support, access to interlibrary loans, quiet places to study, areas for group work, computer labs, and a learning commons. Both learning commons provide students peer tutoring services and support from the Learning Commons Coordinators. The combined number of printed volumes in the library’s catalogs is in excess of 40,000. Also, students have access to circulating material located in the libraries of over 60 consortium member colleges. In addition to printed material, the libraries of CLC provide access to thousands of online journals and over 140,000 eBooks. The Brainerd campus library, formally known as the Jon Hassler Library, also contains a special government section in the Heritage Center. It is dedicated to Minnesota Senator Gordon Rosenmeier. An additional collection of over 3,000 Native American-related titles is housed in the Humphrey Center for American Indians Studies, which is located in the library’s Skone Family Conservatory. Central Lakes College students access the databases and borrow material using the 14 digit barcode located on the back of the “myCLCPlusCard” they receive when they initially register for classes.

Bookstore
There is a bookstore on both campuses. Each store offers a variety of products and services, in addition to textbooks and course materials. Textbook information is available on our website, http://clcbookstore.com, one month before the start of each term.

Deferment for Textbooks and Course Materials
Bookstore charging is open four weeks each semester; beginning three weeks prior to the start of each semester and ending the fifth day of the semester. - A picture ID (student id, driver’s license) is required to charge books.
- Bring a copy of your class schedule. You will need the course and section numbers that appear on the class schedule to select the right books for each class. If you do not have a copy of your schedule you can print one through e-Services.
- Keep your receipts for all of your books. This will be needed to exchange or return a book and for tax purposes.

Post-Secondary Enrollment Option (PSEO) students are allowed to charge required books and a reasonable amount of required supplies that will be used up in their courses. Books charged by PSEO students are the property of Central Lakes College and must be returned to the bookstore at the end of the semester. You can also purchase your books online at http://clcbookstore.com, charge them to financial aid, PSEO or credit card, and have them shipped directly to you.
