Financial Aid is intended to help students and their families pay for educational costs. No student should hesitate to apply because of financial circumstances. Eighty percent of CLC Financial Aid applicants receive some type of financial assistance.

**TYPES OF FINANCIAL AID**

Complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility for grants, loans and work-study.

- **Grants** - This money doesn’t need to be repaid usually.
- **Loans** - Funding you must repay along with interest.
- **Work-study** - Jobs both on and off campus.
- **Scholarships** - Students are responsible to apply for CLC Foundation and outside scholarships.

Use 2018 filed taxes for 2020-2021 FAFSA (Fall 2020 - Summer 2021).

**FINANCIAL AID STEPS:**

1. Create FSA ID at [https://fsaid.ed.gov](https://fsaid.ed.gov). Every dependent student & parent must have their own FSA ID.
2. Complete the FAFSA at [https://fafsa.ed.gov](https://fafsa.ed.gov), use CLC's code = 002339. **Once submitted, it takes 5-7 business days before CLC receives your FAFSA results.**
3. The Dept. of Education will email a Student Aid Report (SAR) for your review. If you find an error, contact the CLC Financial Aid office.
4. CLC will email you to verify that your file is complete OR to request additional information. **READ thoroughly and return ALL requested information as soon as possible to keep your application from being delayed.**
5. The Award Notification informs you of eligible amounts for grants, loans, and workstudy based on credits per semester.
6. If you plan to borrow loan money, remember to complete the loan application steps in E-Services as shown on page 10.

*Estimate how much financial aid you may qualify for at studentaid.ed.gov. This is only an estimate. You must complete the FAFSA to apply for financial aid.*

Financial Aid - www.clcmn.edu/financialaid
There are 3 main types of student loans:
- Subsidized - Government pays the interest while you are in school.
- Unsubsidized - Interest is accruing while you are in school.
- Alternative - Loans from an outside lender.

Students must complete all requirements of the loan application steps found in E-Services for all subsidized and unsubsidized loans.

SCHOLARSHIPS

CLC SCHOLARSHIPS
All students are encouraged to apply for scholarships through the CLC Foundation and community organizations. The CLC scholarship application is found at:
http://www.clcmn.edu/scholarships/

Application window is open from:
- May 1 - June 15 - Fall Semester
- October 1 - November 1 - Spring Semester

On average, nearly 1 out of 2 students who apply for CLC Foundation scholarships are awarded a scholarship.
By registering for classes, you are accepting responsibility to attend and pay for courses. CLC does not mail bills. It is your responsibility to pay on-line, by phone, in person, or through the mail.

Transfer Credits to CLC:
From a Minnesota State College/University, complete the e Transcript Request form. From a school outside of the Minnesota State College/University system, request they send an official transcript to the CLC Registrar's office.

Academic Honors:
Students with 12+ credits, no Incomplete courses (I grade), and have earned a Grade Point Average (GPA) of 3.25 or above will be placed on one of the academic achievement lists at the end of each semester.

President's List: 3.75-4.0
Dean's List: 3.25-3.74
### Satisfactory Academic Progress (SAP):
Students must maintain both a cumulative GPA of 2.0 and a cumulative completion rate of 67% of all credits they registered for, including all transfer credits. Students will be notified in their student email account and at the top of the Dashboard in eServices.

- **Academic Warning** - Students who do not maintain the academic requirements are placed on warning for one semester.
- **Academic Suspension** - If the student is not able to meet the academic requirements at the end of the following semester, they are suspended, and will need to appeal to continue in their program of study.
- **Academic Probation** - If a student’s appeal is accepted, they are placed on probation until they are able to reach the academic requirements.

### Add/Drop/Withdraw Policy:
Add/Drop/Withdraw dates are specific to each course and listed in E-Services in the course’s full description.

#### Free Add/Drop Period:
For most courses, you will have the first five days of the semester to freely add and/or drop one or all of the courses you have registered for.

#### Withdraw:
After the Free Add/Drop Period, withdrawing from a course will affect the completion rate, but not the GPA. A Withdraw (W grade) will be noted on your transcript. Withdrawing could affect your financial aid, so please see an advisor before you withdraw from any course!

- **Partial Withdraw** - Withdrawing from some, not all, of your courses. You will be responsible for full payment for the course(s) you withdrew from.
- **Total Withdraw** - Withdrawing from all courses at the same time. Please see an advisor first to determine how this will affect your academic and financial standing.

### Failure for Non-Attendance (FN) or Unofficial Withdraw (FW) Policy:
An FN or FW grade will be noted on your transcript, and will not affect your GPA but will affect your completion rate.

- **FN** - At the end of week one for most classes, instructors are required to report if you never attend class and will award you an FN grade. You will not receive any financial aid for an FN grade.

- **FW** - If you have stopped attending, instructors will withdraw you from the course, and you will receive an FW grade. You may have to repay the financial aid dollars received for the FW course(s).

We highly recommend you attend class, after all you are paying for it!
