Central Lakes College inspires learning, advances innovation, and transforms lives.

Academic Regalia

Academic regalia is an outgrowth of British practice dating back to the 13th century where students and leaders wore long robes and hoods to protect themselves from cold, drafty rooms and corridors.

Mace

The mace leads the procession. Its place of honor signifies the opening and closing of ceremonial sessions. The mace is carried by the grand marshal (senior faculty member).

Flags

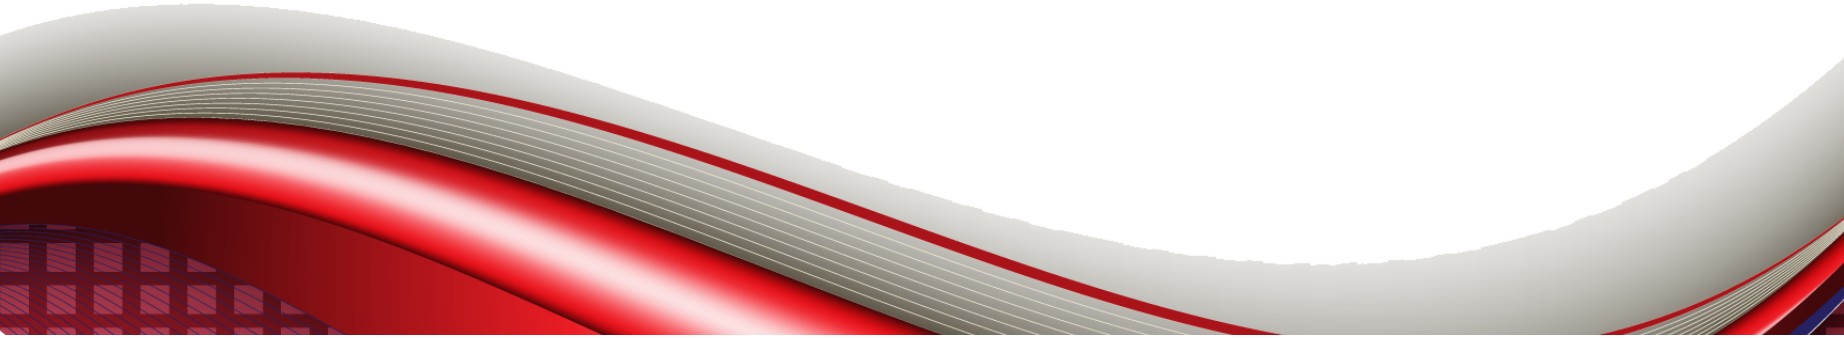

The flags are the heraldry which identify the college or degrees offered within.

Robes

Three styles of robes identify levels of academic degree. The large, open, round sleeves with velvet trim on a robe identify a doctoral degree. The long, pointed sleeves on a robe identify a master's degree, and a plain robe with round sleeves identifies a bachelor's degree.

Hoods

The colors on the hood are the colors of the college or university from which a faculty has graduated. The trim on the edge of the hood represents the degree. Some of the trim colors are as follows: Agriculture - maize, Arts, Letters & Humanities - white, Business - drab, Economics - copper, Education - light blue, Engineering - orange, Fine Arts - brown, Library Science - lemon, Music - pink, Nursing - apricot, Philosophy - dark blue, Physical Education - sage green, Science - golden yellow, and Social Science - cream.
