

## Central Lakes College's Practical Nursing Education Requirements Alignment with Other States' Initial RN Licensure

The U.S. Department of Education has implemented regulations (Regulation 34 CFR 668.43 (a) (5) (v)) which requires Central Lakes College's Associate Degree Nursing Program to provide a list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

Please go to the National Council of States Boards of Nursing (NCSBN) website to look up each state's initial licensure educational requirements: <https://www.ncsbn.org/14730.htm>

1. This information is only for initial licensure by exam requirements for the state listed.
2. Students should contact the Board of Nursing in the state they would like to be initially licensed in for more specific information.
3. The information DOES NOT apply to transferring Minnesota RN Licensure to another state
