

Central Lakes College's Dental Hygiene Education Requirements Alignment with Other States' Initial Dental Hygiene Licensure

The U.S. Department of Education has implemented regulations (Regulation 34 CFR 668.43 (a) (5) (v)) which requires Central Lakes College's Associate Degree Dental Hygiene Program to provide a list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

1. This information is only for initial licensure by exam requirements for the state listed.
2. Students should contact the Board of Dentistry in the state they would like to be initially licensed in for more specific information.

State	Does Central Lakes College's curriculum meet the state educational requirements for initial Dental Hygiene licensure?
